

Vent-Free Gas Heaters

Two attractive inexpensive solutions for assured, on-command home heating. Power heating in a compact package!

Blue-Flame Heaters distribute heat evenly throughout your room, quickly warming the surrounding air. This heater's cheerful blue-flame is visible from behind the safety glass.

Features

- No electricity required
- Economical: 99.9% efficient
- Push-button "Matchless" igniter
- Temperature and safety controls
- No outside vent or chimney needed
- Space-saving design without sacrificing beauty
- Easy to install - placement is virtually unlimited
- Top-mounted manual or automatic controls available
- Natural or propane models
- Several models are equipped with a selectable fuel system using either natural or propane gas
- Oxygen Depletion Sensor (O.D.S.) with automatic shut-off
- Contemporary finish to match any décor

Infrared heaters provide direct radiant heat, quickly warming people and objects in the room. Ceramic plaques behind the grille gives this heater its' warm glow.

* Not for installation in California. Installation codes vary, please refer to local codes for acceptance. Operating vent-free heaters above 4,500 feet could result in outages.

 C. Distance from the top surface of the carpeting, tile or other combustible material.

IMPORTANT

- Read owner's manual before using/installing.
- Not for use in recreational vehicles.
- Photographs are representative only.
- Check local codes and ordinances for permitted uses.
- Consult installation manual for clearances prior to installation.
- We reserve the right to amend product specifications without notice.
- Installation and servicing recommended by a qualified service person.
- Use with adequate air (ventilation) only. Refer to owner's manual for details.
- Operating heater at elevations above 4,500 feet could result in nuisance outages.
- Specify propane or natural gas when ordering. Models designated for use with dedicated natural or propane gas are not intended for conversion between fuel types.
- Please read the warranty for any limitations or disclaimers. All parts carry a one-year limited warranty.
